Where we are

Act Training & Testing can be found at 127-129 New Union Street. New Union Street is inside the ring road between junctions 5 and 6, just south of the City Centre.

If arriving by car, leave the ring road at junction 5 and head for the city centre. At the roundabout keep left into New Union Street and take the first turning on the left at a zebra crossing into Friars Road. Then turn left and left again into the entrance of a multi-storey car park.

If arriving by train, we are a 5 minute walk from the Railway Station. Follow the City Centre signs from the station and once over the ring road (the first dual carriageway you come to) ask for New Union Street or "the street with all the estate agents".

Once on New Union Street, our offices are opposite the Squirrel pub, above what is currently an empty unit. Once through our main door you will find us on the second (top) floor.
